GUARDIAN AUTHORIZATION:

Your child is participating as a fully registered student in this course offered by Certell, Inc. Your child elected to be a participant in this course. The course is a full, semester-long high school course (or 6 week summer course). You agree to allow your child to participate. As part of the course, your child will be participating in a pre-and post-course survey to assess his or her economic reasoning skills. Your child will be watching weekly video segments, listening to audio recordings, completing discussion board and other activities, taking a weekly quiz, and a total of four exams throughout the semester. Each weekly activity follows the same schedule and demands the same attention to detail. All completion requirements are marked with clear due dates within the online learning management platform.

Our course materials are assessable for students with disabilities: all videos clips are captioned; audio files are available as PDFs.

Any information that is obtained in connection with your child's course registration and that can be identified with your child will remain confidential. It will be disclosed only with your permission or as required by law. Student information, for any reason, will only be released to parents (signers below). Any state or personnel agency to whom information requests shall be furnished, shall be directed to place such requests per parent inquiry, stating the nature of the information and the purpose of the disclosure. Such inquiries shall be directed to: ask@Certell.org send via postal mail:
